

SAFE PLAY AT MINTHIS

We are wholeheartedly looking forward to welcoming you to the new Minthis Golf Experience, with a new course layout and 18 brand new greens built to USGA specification.

Since the opening of the golf club in 1994, we have been striving to provide uplifting customer service while our priority has always been the health, safety and wellbeing of our members, guests, homeowners, partners and staff.

Addressing the recent challenges, additional measures have been implemented to ensure SAFE PLAY at Minthis. We would like to assure you that our trained staff are following all of the recommended protocols and providing any extra care that is needed – please help us by playing your part.

IMPORTANT

Guests must NOT attend any facilities at Minthis if they have been diagnosed positive or have been in contact with someone affected with COVID-19, or if they are under a period of quarantine, or if they have any symptoms, such as a cough, fever, breathing difficulties, sudden loss of smell or taste, general weakness, muscle pain and/ or sore throat.

Guests travelling from abroad and visiting Minthis Golf Club need to inform themselves eg. on <https://cyprusflightpass.gov.cy/> and **comply with the latest Cyprus destination protocol**

Minthis Golf Club, Academy and Clubhouse are at all times adhering to the regulations stipulated by the Cyprus government and following the guidelines set by the Ministry of Health.

This document is subject to revision according to the relevant government decrees and federation guidelines.
