SPA TREATMENTS

Our innovative treatment methods and luxurious spa therapies leave you feeling relaxed, revitalised and balanced in body and mind. Enjoy some of the finest spa therapy treatments, with much-loved spa and beauty brands, including KORRES, IS Clinical and Augustina Bader. Treatments include massages, facials, manicures and pedicures.

SPA FACILITIES

HYDROTHERAPY POOL

Our Hydrotherapy pool features built-in water jets of varying pressures and positions that offer massages for the legs, calf, and feet.

INDOOR POOL

Surrounded by rolling hills and breath-taking views of the Troodos mountains the 25-meter lap pool is a place for an invigorating swim.

THERMAL SUITES

Enhance your spa journey and enjoy our unique Thermal Suites featuring 8 experiences; hot and cold, wet and dry, including:

Salt Room - Tepidarium

For deep relaxation halo salt therapy reduces inflammation and cleanses the airways.

Steam Room - Caldarium

Relax, unwind and release muscular tension with the detoxifying steam room.

Finnish Sauna

Eliminate toxins and release endorphins for a overall feeling of wellbeing.

Aroma Sauna - Sanarium

Enjoy a relaxing, detoxifying muscle release with aromas to awaken your body and soul.

Ice Fountain

For those that want to strengthen their immune system, increase circulation and firm their skin.

Cold Plunge Pool - Frigidarium

For the brave that want to close pores and strengthen their immune system after a sauna.

Experience Shower

Stimulate your senses and remove the toxins, with a multi sensory experience shower.

Foot Bath

Relax and alleviate the stress with a soothing foot bath.

GYM

An expansive, mirror-lined gym equipped with the latest Life Fitness Machines. Provides the perfect environment for building your strength, stamina and fitness.

GROUP FITNESS ACTIVITIES

Our team of Personal Trainers run small-sized fitness classes daily in the group fitness studio. Group exercise is a wonderful way of maintaining your fitness goals as well as introducing new techniques into your workouts and having fun at the same time.

*Classes are free to members; booking is required at the Spa Reception.

PERSONAL TRAINING

Members have access to a dedicated team of Personal Trainers, each an expert in different fitness disciplines. A regime can be swiftly implemented, carefully followed and closely monitored, so you achieve your goals and see the results.
