

Amaracus

Amaracus has a significant meaning for Minthis, the name originated from Greek mythology where a boy from Paphos held the prestigious position of royal perfumer in the court of King Kinyras, his father. One day, Amaracus stumbled and fell while carrying a collection of potent ointments, causing them to mix and create an alluring scent. To immortalize the scent Amaracus was transformed into the amarakon herb, also known as marjoram or wild oregano. This fragrant plant was considered sacred to the goddess of love and beauty, Aphrodite, and known for its sweet aroma.

The myth compliments the Minthis resort philosophy, which has been inspired by the surrounding nature and is bountiful with wild oregano. Nature is at the heart of everything we do, so it was a natural progression to welcome a Chef thzat brings the fruit and herbs of the land, sustainably to life. In the crafted menu our Executive Chef prioritises home-grown and locally sourced produce, to provide a new dining experience, with dishes that will take you on a culinary journey of Mediterranean flavours.
