TRACKMAN™ RANGE **NOW OPEN AT MINTHIS GOLF**

Elevate Your Game. Enjoy Every Swing.

 **TRACKMAN**

TrackMan™ Range has arrived at Minthis Golf - **the most advanced radar-based ball-tracking system** used by professional golfers worldwide, TrackMan™ transforms practice into a precise, data-driven, and fun experience.

For those seeking to elevate their game, this advanced golf experience provides **real-time feedback, in-depth shot analysis, and performance insights.**

Understand your distances and improve consistency, gain deeper insight into every shot and train with greater purpose and confidence.

For those simply looking to have fun, this playful golf experience offers

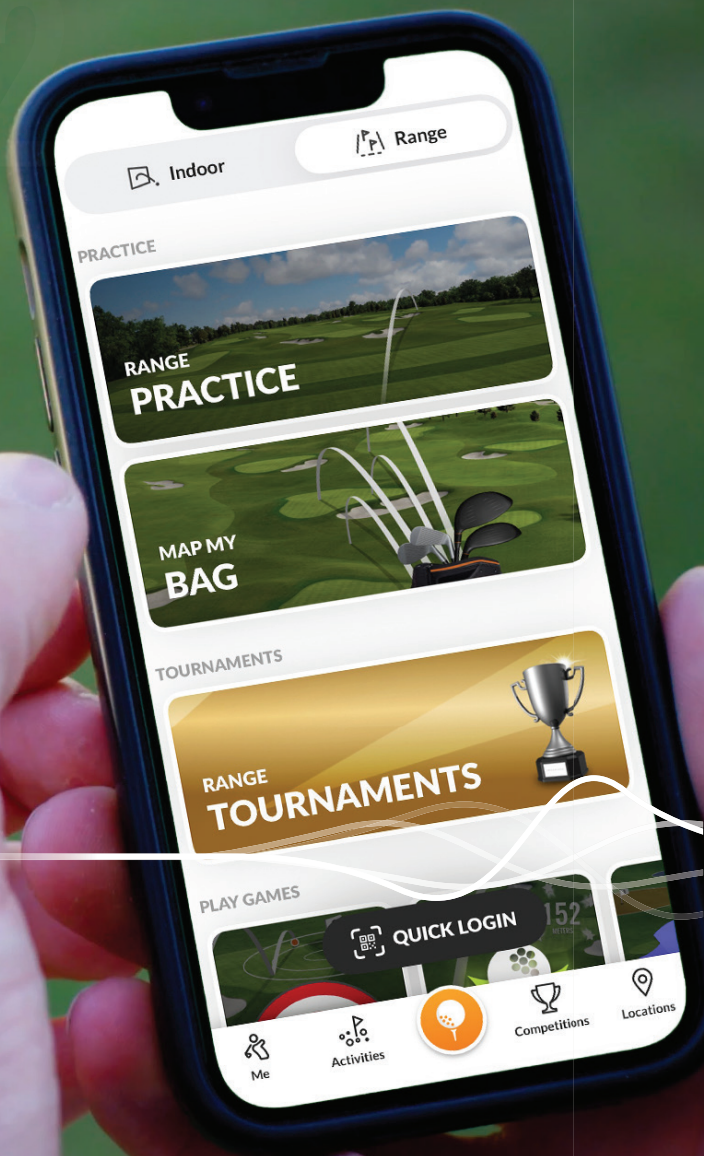

**interactive games,
virtual courses from around the world,
and light-hearted challenges.**

Ideal for families, groups of friends, and team-building activities - no experience required
